Here I stand,
Helpless and left for dead.
Close your eyes,
So many days gone by.
Easy to find what's wrong,
Harder to find what's right.

I believe in you,
I can show you that
I can see right through
All your empty lies.
I won't stay long,
In this world so wrong.

[Chorus]
Say goodbye,
As we dance with
The devil tonight.
Don't you dare look at
Him in the eye,
As we dance with
The devil tonight.

Trembling,
Crawling across my skin.
Feeling your cold, dead eyes,
Stealing the life of mine.

I believe in you,
I can show you that
I can see right through
All your empty lies.
I won't last long,
In this world so wrong.

[Chorus]
Say goodbye,
As we dance with
The devil tonight.
Don't you dare look at
Him in the eye,
As we dance with

The devil tonight.

Hold on,
Hold on.

[Chorus]
Say goodbye,
As we dance with
The devil tonight.
Don't you dare look at
Him in the eye,
As we dance with
The devil tonight.

Hold on,
Hold on.
