(Oh No)

Words like violence
Break the silence
They Come crashing through
Into my little world
Painful to me
Pierce right through me
Cant you understand
Oh my little girl

All You ever wanted
All You ever needed
Is here in my arms
Words are very unnecessary
They can only do harm

(Right!)

(Oh No)

Vows are spoken
To be broken
Feelings are intense
Words are trivial
Pleasures remain
So does our pain
Words are meaningless
And forgettable

(X3)

All You ever wanted
All You ever needed
Is here in my arms
Words are very unnecessary
They can only do harm

(Singing wordless)
