You my friend  
You're a lot like them  
But I cut your line  
And you know I did

Now I'm lost in you  
Like I always do  
And I die to win  
'Cause I'm born to lose

Firefly  
Could you shine your light?  
Now I know your ways  
'Cause they're just like mine  
Now I'm justified  
As I fall in line  
An' it's hard to try  
When you're open wide

Take my hand  
We'll be off and then  
We'll come back again  
To a different land

Now I like this way  
You can go away  
If you guess the name  
You cannot replace

Firefly  
Could you shine your light?

Now I know your ways  
'Cause they're just like mine  
Now I'm justified  
As I fall in line  
And it's hard to try  
When you're open wide

Bring me your enemies  
Lay them before me  
And walk away

Walk away  
Walk away

Firefly  
Could you shine your light?  
Now I know your ways  
'Cause they're just like mine  
Now I'm justified  
As I fall in line  
And it's hard to try  
When you're open wide

Fuck you firefly  
Have you lost your light?  
Now I hate your ways  
'Cause they're just like mine  
So you've lost my friend  
Such a sorry end  
And now I don't know why?  
So I choke and smile  
Smile
