Here I lie forever
Sorrow still remains
Will the water pull me down
And wash it all away?
Come and take me over
Welcome to the game
Will the current drag me down
And carry me away?
Suddenly the light begins to fade...

HOPELESS!
I'm falling down
FILTHY!
I can't wake up
I can not hold on
I will not let go
WORTHLESS!
It's over now
GUILTY!
There's no way out
I can not hold on
I will not let go

Silent eye goes under
I am not afraid
I can see the daylight shine
And slowly drift away
Safe to say it's over
Sink into the break
There's nothing left inside
But I am wide awake
I can hear the devil call my name...

HOPELESS!
I'm falling down
FILTHY!
I can't wake up
I can not hold on
I will not let go
WORTHLESS!
It's over now
GUILTY!

There's no way out
I can not hold on
I will not let go

HOPELESS!
I'm falling down
FILTHY!
I can't wake up
I can not hold on
I will not let go
WORTHLESS!
It's over now
GUILTY!
There's no way out
I can not hold on
I will not let go

HOPELESS!
HOPELESS!
