I got somethin' up my sleeve
(I know you will cover me)
Inside out and in between
(I know you will cover me)
I've got bruises on my knees
(I know you will cover me)
Inside out and in between
(And I know you will cover me, yea, yea)

Run away
Make haste
And get laid
We get laid
You turn me up
I've had enough
So medicate
Medicate

I'm already incomplete
(I know you will cover me)
Broken by your empathy

(I know you will cover me)
I've been lyin' here for weeks
(I know you will cover me)
Inside out and in between
(And I know you will cover me, yea, yea)

Run away
Make haste
And get laid
We get laid
You turn me up
I've had enough
So medicate
Medicate

Run away
Make haste
And get laid
We get laid
You turn me up

I've had enough
So medicate
Medicate, yea, yea

Run away
Make haste
And get laid
We get laid
You turn me up
I've had enough
So medicate
Medicate
