This game is over
I'm gettin' older
You're comin' closer
Over and over

My dear Brianna
I need an answer
What was the question?
I can't remember

Would you want to
Feel the way that I do
And I bend to your will
Not for blamin' myself

Tied to the needle
My drunk libido
My nervous ego
The faster we go

You are an asshole
King of the castle
I am the meager
Follow the leader

Would you want to
Feel the way that I do
And I bend to your will
Not for blamin' myself
And I know that you don't
Like the way that it goes
We're all in to begin
Just remember I win

Oh
Oh
Fridda

Would you want to
Feel the way that I do
And I bend to your will
Not for blamin' myself

And I know that you don't
Like the way that it goes
We're all in to begin
Just remember I win

But I win, but I win, but I win, but I win
