

Breaking Benjamin "Phase"

The light is dead in your eye
So I'll keep livin' my life
I only wanted to try
To find my way back inside

My imitation of life
My litigation of life
It's something easy to find
Inside the shade of your eye

Out of the ground I rise to grace
Nobody knows it's just a phase
Help me, I'm out of breath again
Nobody knows somewhere to make it go away

Phase
Phase
Phase
Phase

I find it hard to decide
The way to make up your mind
Your lips are better than mine
So you can kiss this goodbye

My imitation of life
My litigation of life
It's something easy to find
Inside the shade of your eye

Out of the ground I rise to grace
Nobody knows it's just a phase
Help me, I'm out of breath again
Nobody knows somewhere to make it go away

It's just a phase

And I can't wait
Phase
Phase
Phase
Phase

I know
I know
I know
It's just a fucking phase

[Incomprehensible] now
