Several days beneath me
Where the Hell are you?
I'm looking for what
I have not a clue

I believe that I'm the only one who cares
I'm sick of fighting this and holding in!

Shine off my gun!
When will we run?
For all these years,
The [traveling?]

Shine off my gun,
If I'm not the one to walk!
Always my way,
If I'm not the one to run!

Several nights above me
What the Hell to say?
I'm looking for the things
I've left this way...

Several days beneath me
Where the Hell are you?
I'm looking for what
I have not a clue!

Shine off my gun,
When will we run?
For all these years,
The [traveling?]

Shine off my gun!
If I'm not the one to walk
Always my way,
If I'm not the one to run!

Hate...
Hate...

Did you take me off the wall?

[These Days are long...]
Days are long...
Did you murder half of me?
We can share my new disease...

YEEEEAAHHH!
