Come on
The sun will rise
Another time
The colors blind
Your virgin eyes
I'm so inclined
To make you mine
You're out of line
And out of time
[chorus]
And I float upon a shallow bay
Lift me up until the ground gives way
I'm a California castaway
I don't think you wanna fuck with me
Don't over kill
This painless thrill
It's bitter still
Your pretty pill
You wait until
You've had your fill
I know you will
I know you will
[chorus]
A shallow bay
A shallow bay
[chorus x 2]
You live, you learn
You live, you learn
You live, you learn
You live

Do you know that I could never leave you?
And you know I could never beat you?
And if I, if I could never find you nevermind, I would not
Forget you.
Can I stay alive forever?
Can I stay alive forever?
Can I stay alive forever?
Forever. Can I feel a chemical reaction?
Because I feel a hideous attraction
Could we share a poison apple?
Could it be maniacle and awful?

Can I stay alive forever?
Can I stay alive forever?
Can I stay alive forever?
Forever. forever.
Stay alive forever
Forever
Stay alive forever
Stay alive forever
Stay alive forever
Stay alive forever
Stay alive forever
