Take it to the bridge, sink but never swim in your heart.
Take it to the bridge, sink but never swim in your soul.
Throw the anchor in, sink but never swim and you know
it's hard.
And I know it's hard but know I know it's over.
Take it to the bridge, sink but never swim in your heart.
Take it to the bridge, sink but never swim in your eyes.
Take it to the bridge, sink but never swim.
I know it's only a matter of time
And you know it's hard and I know it's hart
But now I know it's over. It's over.
Did you know you missed the point?
And you know it's hard and I know it's hard but now I
know it's over.
