Fruit on the vine
You get yours
And I've got mine
Meat on your bones
They won't know
They won't know

[Chorus]
I love your face
Just get away
I'm on my knees
Fuck you
Fuck me

I'm on my way
To feel you
Dislocate
Safe in your space
I'm open
Wide open

[Chorus]
I love your face
Just get away
I'm on my knees
Fuck you
Fuck me

Like me
Like me
Like me

[Chorus]
I love your face
Just get away
I'm on my knees
Fuck you
Fuck me
Me
Me
Me
