So clever,
Whatever,
I'm done with these endeavors.
Alone I walk the winding way.

It's over,
No longer,
I feel it growing stronger.
I'll live to die another day, until I fade away.

[Chorus]
Why give up?
Why give in?
It's not enough,
It never is.
So I will go on until the end.
We've become desolate.
It's not enough,
It never is.
But I will go on until the end.

Surround me.
It's easy
To fall apart completely.
I feel you creeping up again.
(In my head)

It's over,
No longer,
I feel it growing colder.
I knew this day would come to end
So let this life begin.

[Chorus]
Why give up?
Why give in?
It's not enough.
It never is.
So I will go on until the end.
We've become desolate.
It's not enough,
It never is.

But I will go on until the end.
I've lost my way.
I've lost my way,
But I will go on until the end.

Living is hard enough
Without you fucking slut!

[Chorus]
Why give up?
Why give in?
It's not enough,
It never is.
So I will go on until the end.
We've become desolate.
It's not enough,
It never is.
But I will go on until the end.
I've lost my way.
I've lost my way,
But I will go on until the end.

Hoo-oo-oo (x2)

The final fight I win,
The final fight I win,
The final fight I win,
But I will go on until the end.
