Take a breath

Hold it in

Start a fight

You won't win

Had enough

Let's begin

Nevermind

I don't care

All in all

You're no good

You don't cry

Like you should

Let it go

If you could

When love dies in the end

So I'll find what lies beneath

Your sick twisted smile

As I lay underneath

Your cold jaded eyed

Now you turn the tide on me

'Cause you're so unkind

I will always be here

For the rest of my life

Here we go

Does it hurt

Say goodbye

To this world

I will not

Be undone

Come to life

It gets worse

All in all

You're no good

You don't cry

Like you should

I'll be gone

When you fall

Your sad life

Says it all

So I'll find what lies beneath

Your sick twisted smile

As I lay underneath

Your cold jaded eyed

Now you turn the tide on me

'Cause you're so unkind

I will always be here

For the rest of my life
Don't carry me under
God sing for the hopeless
I'm the one you left behind
So I'll find what lies beneath
Your sick twisted smile
As I lay underneath
Your cold jaded eyed
Now you turn the tide on me
'Cause you're so unkind
I will always be here
For the rest of my life
