Don't mean a typical,  
Act's like she cares.  
But you don't mean a thing;  
She'll do this all night.  
Leading them on and on.  
You'll start to care,  
It's what you did to me;  
She did it all night.  
This is what you get (you get)  
From messing with the wrong kind;  
I can't forget (forget)  
That she forgets now.  
This is what you get (you get)  
For messing with the wrong kind.  
I can't forget (forget).  
I'm talkin' bout a bad girl  
(I want it, I want it)  
Bad girl  
(You want me, you want me)  
Bad girl  
Dontcha,  
Go nowhere but closer;  
I'll let you work me over, and over (and over)  
Favor the physical,  
Never a name.  
It's what you left in me,  
I'll do it all night.  
Damage is critical,  
Never the same.  
Left me aching, talking, faking, playing  
'Cause.  
This is what you get (you get)  
For messing with the wrong kind.  
I can't forget (forget)  
That she forget's now.  
This is what you get (you get)  
For messing with the wrong kind,  
I can't forget (forget)  
I'm talkin' bout a bad girl  
(I want it, I want it)  
Bad girl

(You want me, you want me)  
Bad girl  
Dontcha,  
Go nowhere but closer;  
I'll let you work me over, and over (and over)  
I'm talkin' bout a bad girl  
(I want it, I want it)  
Bad girl  
(You want me, you want me)  
Bad girl  
Dontcha,  
Go nowhere but closer;  
I'll let you work me over, and over (and over)  
The opposite of everything  
A girl could want,  
It's nothing like a man,  
That I was before she got me.  
She taught me; to take and get away  
Scott-free. Sorry.  
I'm talkin' (talkin')  
I'm talkin' bout a bad girl  
(I want it, I want it)  
Bad girl  
(You want me, you want me)  
Bad girl  
Dontcha,  
Go nowhere but closer;  
I'll let you work me over, and over (and over)  
I'm talkin' bout a bad girl  
(I want it, I want it)  
Bad girl  
(You want me, you want me)  
Bad girl  
Dontcha,  
Go nowhere but closer;  
I'll let you work me over, and over (and over).
