I hit the floor  
Seven takes of myself  
Is there any other body here with something to tell  
Something to sell  
Keep it close you dance like nobody else  
The way you bite your lip  
It does so much to compel  
Made a move  
So hard to keep to myself  
So hard to breathe  
When I see you dance with somebody else

So baby don't stop  
Come a little closer  
When you feel the beat drop  
Sing it with me  
Let go!  
Tell me your secrets  
Let go!  
You know you need it  
Let go! oh oh oh oh  
Just a little more  
Oh oh oh oh  
Just a little more

Ice cold  
The way you're lookin' at me  
I see you're usin' this illusion  
That you're too hard to read  
That ain't the case  
How quickly I could like you to leave

Hate you the most  
Have you cryin' sayin' I wanna leave  
I'm on a mission, on a mission  
To please  
Get out the kitchen if you can't stand the heat

So baby don't stop  
Come a little closer  
When you feel the beat drop  
Sing it with me

Let go!  
Tell me your secrets  
Let go!  
You know you need it  
Let go! oh oh oh oh  
Just a little more  
Oh oh oh oh  
Just a little more

Lets get this movin'  
Lets get this movin'  
Lets get to groovin'  
Lets get this party on(x2)

Let go!  
Tell me your secrets  
Let go!  
You know you need it  
Let go! oh oh oh oh  
Just a little more  
Oh oh oh oh  
Just a little more(x2)  
Let go... let go oh oh oh oh, oh oh oh oh
