[Intro:]

(Don't stop, when you gonna talk to me? Don't stop)

[Verse 1:]

Red light, what's keeping you from telling me to go?  
All night staring me down (down, down down)  
Your eyes are burning through me  
But I need to see before I believe

Cause all I want is someone to love all night  
And all you want is someone to hold all night

[Chorus:]

So when you gonna talk to me? (Don't stop)  
Whatever you want from me, I've got  
It's looking like we've got it made, let's not get in the  
way  
Stereotypical, she's not. Everything about you girl, so  
hot  
Why do, why do we play games? It's such a mystery

[Verse 2:]

Trouble saying what's on my mind, oh  
I'd like to love you down (down, down, down)  
So pour your sugar on me  
Love how you're sweet as you wanna be

Cause all I want is someone to love all night  
And all you want is someone to hold all night

[Chorus:]

So when you gonna talk to me? (Don't stop)  
Whatever you want from me, I've got  
It's looking like we've got it made, let's not get in the  
way  
Stereotypical, she's not. Everything about you girl, so  
hot  
Why do, why do we play games? It's such a mystery

[x2]

[Bridge:]

Why, oh why are you being this way?  
Playin' hard to get's not helping it  
There's no need for games.  
Why, oh why would you lead me on?  
With me's where you belong  
So when you gonna talk to me?

[Chorus:]

It's looking like we've got it made, let's not get in the  
way  
Stereotypical, she's not. Everything about you girl, so  
hot  
Why do we play games? It's such a mystery  
So when you gonna talk to me? (Don't stop)  
Whatever you want from me, I've got  
It's looking like we've got it made, let's not get in the  
way  
Stereotypical, she's not. Everything about you girl, so  
hot  
Why do, why do we play games? It's such a mystery  
(Why oh why are you being such a mystery?)
