We started in the morning, carried well into the night.  
Throwing dirty dishes with all our might  
It's a sad commentary on a marriage that has failed.  
I'm at home getting hammered, while she's out getting  
nailed

Police pulled into my trailer park  
Domestic violence will cost you after dark  
Late night with her boss, says they're trying to make a  
sale  
I'm at home getting hammered, while she's out getting  
nailed

I'm at home drinking whiskey in my easy chair  
Watching jerry Lawler pulling Andy Kauffman's hair

Had a suspicion, so I opened up her mail  
I'm at home getting hammered, while she's out getting  
nailed  
She used to bring me beer and love all over me  
Right before I went on disability  
My wiggler aint so straight, I got whiskey dick  
She don't perk it up, cause her ankles got so thick

The moral of this story is sad but true,  
I love to drink, and she loves to screw  
Hobo's got a better life, out riding on the rails  
I'm at home getting hammered while she's out getting  
nailed
