And I aint' takin' no shorts

(Verse 3: Big Ramp)

It's 4 in the mornin, I'm good and asleep up on my

As soon as you get butt naked Guess how soon I'm

(Hook 3x)

(Verse 3: Derrick)

Aint' no coward in me nigga I'm young and I'm thuggin'
Derrick out the St. Thomas and I'm bout head bustin'
Young and wild lil nigga, I'm a fool with that 2
Hit the block in broad day
Nigga bloom-bloom-bloom
Fuck a mask, i come naked face
Whoever out when I ride thats who my chopper waste
60 days in that parish will have you losin' weight
You'll eat good but you'll be stressin' worryin' bout ya
case
Call at home the bitch you fuckin' dont want give up
that one
You lock down, and that broad she played that role
Like she gon be there 'till the end but in the middle she
jokes
My nigga P, that young nigga that bout that head
bustin'
Slangin weight and fuckin' hoes that lil nigga thuggin'
My nigga P, thats my dog out the CP3
He was T (??) and H-O-D
Him and lil Birone from that cut, yep that 15th
Like a man them 2 niggaz kept it real with me
When they touch down, in return half a Ki a piece

No front, look here take this off GP
Like B.G. I keep it real with my real dawgs
If a nigga steal them I'ma do they hood wrong, wrong

(Hook 2x)

(Talk 'till end)
