Nigga I represent Baby, ain't no since in me lyin  
I got 700 Benz 99 with tha bubble lens  
Tell me do this nigga shine now be honest  
Do I try and head bust tha finnest be honest  
Don't tha Rover got a lot of sound be honest  
Ain't Baby's Jag a pretty brown with big rims  
you think you blind wait til you seem him  
Imma leave you soaked for your Hummer  
You think he payin notice, you know indeed  
I was there when he bought it layed down tha g's  
When I first started sellin ki's at 18  
Buyin 10 for a 100 G's  
But it's tha truth want some birds we'll front you  
Fuck up we got some niggas who'll burn you now be honest  
Ain't tha boy quarters proper now be honest  
Melph boys go to war wit that chopper now be honest  
Ain't he boned every hot girl, she drunk a half of hen  
I heard she got that will up early now be honest  
You like the way them hummers look now be honest  
Joe Casey got you pussy whooped now be honest  
You pay tha bills every month now be honest  
Do you got what you brag or is it all a front now be honest  
You listen to Juve huh now be honest  
That nigga Doogie make you move huh now be honest  
That nigga Fred got that weed huh now be honest  
And my uncle Brian got them keys huh now be honest
