Ooh, ooh...

I always knew (I always knew)
You'd prey the lion's den to see me through, yeah
You always knew (You always knew)
Against the world
That I believed in you

1 - (Come back to me)
Come back to me
So we can love just like we did before
We always knew
That if we had to fight
We'd do it side by side
You for me and me for you

2 - You're my hero
Heaven's been so good to me
I'll be your hero
Forever is our destiny

All said and done
You brought silence to our enemy
(You said that we)
The war is won and for your pain
My loving is the remedy

Repeat 1

Repeat 2

3 - Our love is stronger together
Fate brought us closer together
No force can break what we treasure
No how, no way

Repeat 3

All this love is all that we have
All this love is all that we have
(You're my hero)

Repeat 2 (2x)

Repeat 3 till end
