(Chorus)

Don't ever let another say that you're not much
You're worth more to the future than they are punk
Drama queens need control
Everyone in thier so called king thier dumb
Can be smart but they're not you
Can be a gem but they'd rather act up in school
Acting all fool

(Verse 1)

These ones for the children
Children of the world
Every complection
Every boy
Every little girl

Child who strare in the night sky and dream
Of a world
They wish they can be

Wish they can fly like a bird
That's when adults say it's so absurd

And if you don't believe in your kid
Then your kid won't know
Kid won't fly kid won't go

(Pre chorus)

Genius child
That is me
I got a book
E.n.c.y.c.l.o.p.e.d.l.a.
Oh my goodness what can I say
I'm me

Genius child
That is me
I got a book
E.n.c.y.c.l.o.p.e.d.l.a.
Oh my goodness what can I say

I'm me

(Chorus)

Don't ever let another say that you're not much

Everyone in thier so called king thier dumb
Can be smart but they're not you
Can be a gem but they'd rather act up in school
Acting all fool

(Verse 2)

Moms give kisses
Dads give hugs
Hopefully they're getting that much love

The worlds full of tricks to make a kid run
Outside of the circle cause they think it's all fun

No level ground for them to walk
They'll be taught
By another holding hands with the strange

Wonder why they're gone with wind
Cause they're parent don't respect thierselve
It's self made

Being poor no excuse for abuse
O loose lip
Calm down your acustics
Smooth your riffs
Meanwhile on the side don't lose your witts
Cause your childs so precious innecent

You're the guild to the target
Hit or miss
You're the light through the tunnel when the dark gets
thick

(Pre chorus)
