[CHORUS]

I wanna be a part of you  
(A part of you)  
I wanna be a part of you  
(A part of you)

I wanna be a part of you  
A part of everything you do  
A part of all your plans  
And schemes that you make  
By your side, each step you take

[Repeat CHORUS]

I wanna share your precious love  
And all the dreams you're dreaming of  
So I can still remain with you  
When we're apart, on your mind  
And in your heart

[Repeat CHORUS]

Maybe in time, I'll be the one  
To win all your loving  
Because you're everything

[Repeat CHORUS]

Please, let me be  
I wanna be a part of you  
(A part of you)  
Oh, please let it be me  
I wanna be a part of you  
(A part of you)
