The first time I saw you

And looked into your eyes

Love sneaked up on me

And took me by surprise

[CHORUS]

And my heart sang tra la la la

Tra la la la, tra la la la

I'm falling in love with you

The first time you kissed me

And held me tight

I felt a thrill that was

So out of sight

[Repeat CHORUS]

I close my eyes and

I hear church bells ringing

I see a chapel with

The choir singing

Tra la la la

Tra la la la, tra la la la

I'm falling in love with you

(Tra la la la) ooh, baby

(Tra la la la) yeah, my baby

I'm falling in love with you

(Tra la la la)

Can't you hear me, baby, yeah

(Tra la la la) yeah, my baby

I'm falling in love with you
