Honey, baby, oh, you just slay me
Cause you're so good in every way
Never again will I be lonely if you
Just promise that you're gonna stay

[CHORUS]

Baby, you're so right for me
I knew it when you came along
Oh, you're just my cup of tea
And you're just so right for me
A love like this could never go wrong

Baby, cause you got what it takes
And boy, we were born to fall in love
We've got a lot of things in common
We go together like a hand and glove

[Repeat CHORUS]

Sugar sweetie, if you should leave me
I wouldn't know where to find someone new
Cause I know you're one in a million
Nobody else could ever replace you

[Repeat CHORUS]

No, no, no, baby
A love like this could never go wrong
Now do you read me baby
A love like this could never go wrong
No, no, no, no...
