Verse 1

I've been waiting for my baby
'Cause tonight, 'cause tonight
We're going out together
just to have some fun
Any where he takes me is alright, is alright
My baby really loves me
He is the only one for me, for me,
for me, for me
Here he comes he's smiling he got
something in his hand
Maybe it's a present
(You're so lucky you're with this man)

Pre-Chorus

Forever and ever is all right with me
I am so happy

Chorus

I am so in love, I am so in love

Verse 2

A day doesn't go by
without him calling on the phone
I could never be alone
The way he holds my hand
when we're walking down the street
The way he makes love to me
nobody else could do that to me, to me, to me
And now that we've got this love
you're all I'm thinking of

Pre-Chorus (Repeat)

Chorus (Repeat)

Yo you get funky

Chorus (Repeat)
