Stay together, young lovers
Stay together, young lovers

Though the world
Seems to get you, yeah
And the things they say
Break your heart, yeah

You can make it
If you love one another
Don't let the things they say
Keep you apart, yeah, yeah

Just have faith in each other, yeah
And though the love's up
And down all the way

You can make it
If you love one another
Oh, remember that you'll
Have your day, yeah, yeah

Stay together, young lovers
Stay together, young lovers

And love will stand against them all
And they are waiting to
See us fall, yeah, yeah

Just have faith in each other, yeah
And though the love's up
And down all the way

You can make it
If you love one another
Oh, remember that you'll
Have your day, yeah, yeah

Stay together, young lovers
Stay together, young lovers
Stay together, stay together
Stay together, stay together

Young lovers

Stay together, young lovers
Stay together, stay together...
