Ooh, yeah

What you see is what you get  
What you get is everything now, honey  
What you see is what you get  
Nothing more and nothing less

Ooh, I been watching your eyes  
Looking for someone  
(Time...) time after time  
They met mine, the chase is on

You think I'm this  
You think I'm that  
I wonder why you stop and go

Do you think I'm weak  
Do you think I'm strong  
I think I ought to let you know

What you see is what you get, baby  
What you get is everything now, honey  
What you see is what you get  
You get nothing more and nothing less, no

Ooh, move closer, baby  
Come on, keep me company  
Say, do anything but  
Don't try rearranging me

'Cause I may be this  
And I may be that  
But I don't know  
Why you stop and go

If you decide to make up your mind  
I think I ought to let you know

What you see is what you get, baby  
What you get is everything now, honey  
What you see is what you get

You get nothing more and nothing less

Oh, oh, oh

What you see is what you

What you see is what you

What you see is what you

What you see is what you get, get, get

'Cause I may be this, I may be that

I don't know why you stop and go

If you decide to make up your mind

I think I ought to let you know

What you see is what you get, baby

What you get is everything now, honey

What you see is what you get, sugar

Nothing more and nothing less

Nothing more and nothing less

No, no
