Inside of my heart
Is an army of angels
Just 'cause I let you go
Oh, volunteers they are here
To love and help me
Only 'cause I said no

Chorus
To the killer eyes
That invite me to do things
I would have to lie about

And it's better now, we are safe
You know I love you more from far away
Now that all I need is god

Hey, little girls
Do you still have things that haunt you
Are all the words I say unclear
You know I was there
Just a while ago so miserable
Until I told the truth and prayed

Chorus
And the killer eyes
That invite me to do things
I would have to lie about (just lost it's sparkle)

And it's better now, we are safe
You know I love you more from far away
Now that all I need is god

Bridge
Inside of my heart
Is glorious army waiting for war

Chorus
The killer eyes
That invite me to do things
I would have to lie about lost their sparkle

And it's better now, we are safe
You know I love you more from far away
Now that all I need is...

Inside of my heart is an army of angels [4x]
