EVERYBODY'S REACHING OUT FOR SOMEONE

Writers Dickey Lee, Allen Reynolds

Ev'rybody's reaching out for someone
Er'rybody's knocking at some door
And long before I ever found you
You're the one that I was reaching for
Just like the trees along the river bend
Lift up their branches to the sun above
We spend our life times reaching for a friend
'Cause ev'rybody needs someone to love
I've wanted you since the day my life began
I heard your footsteps running just beyond my mind
Ever since that moment I've been reaching for your
hand
Hoping you'd be reaching out for mine
