You look in my eyes
And I get emotional inside
I know it's crazy
But you still can touch my heart

And after all this time
You'd think that I, I wouldn't feel the same
But time melts into nothing
And nothing's changed

I still believe someday
You and me will find ourselves in love again
I had a dream someday
You and me will find ourselves in love again

Each day of my life I'm filled
With all the joy I could find
You know that I am not the desperate type
If there's one spark of hope left

In my grasp I hold it with both hands
It's worth the risk of learning
To have a second chance
No, no, no, no, no, no, I need you baby

I still believe that we can be together
If we believe that true love never has to end
Then we must know that we will love again
