Make the world go away
Get it off my shoulders
Say the things you use to say
And make the world go away

Do you remember when you loved me?
Before the world took me astray
If you do, forgive me
And make the world go away

Make the world go away
Get it off, off my shoulders
Say the things you use to say
And make the world go away

I'm sorry if I hurt you
I'll make it up, day by day
Just say you love me, like you use to
And make the world go away

Make the world go away
Oh get it off, off my shoulders
Say the things you use to say
And make the world go away

Just say the things you use to say
And make the world go away
