Oh we ain't got a barrel of money maybe we're ragged  
and funny  
But we'll travel along singing a song side by side  
Well don't know what's coming tomorrow mybe it's  
trouble and sorrow  
But we'll travel the road sharing our load side by side  
Oh honey through all kind of weather what if the sky  
should fall  
Just as long as we're together it doesn't matter at all  
When they've all had their quarrels and parted we'll be  
the same as we started  
Just traveling along singing a song side by side  
[ guitar ]  
Honey through all kind of weather...
