Lovers lie and fake a smile
To make it last, make it stay for a while
And so am I, cause love aint gonna tie
Boy, I love you so, from within my soul (oh)
It's beyond control

Boy I love you, I love you, I love you
Yes, I love you so from deep within my soul
Yes, I love you so just want you to know
That I won't let you go in my heart and soul

Lovers lie and fake a smile
To make it last, make it stay for a while
And so I am, I have learned to live a lie
Boy, I love you so, from deep within my soul (oh)
It's beyond control

Boy I love you, I love you, I love you
Yes, I love you so from deep within my soul
Yes, I love you so just want you to know
That I won't let you go in my heart and soul

Do want, I want to step the slide
Wasn't really close to make it come in slide
Do want, I want to let it slide
What to do, so let it
Didn't have a little faith in me(?)

Boy I love you, I love you, I love you
Yes, I love you so from deep within my soul
Yes, I love you so just want you to know
That I won't let you go in my heart and soul
