Every day away from you is too long
No I don't think I can go on
It's like a hurricane staring through my heart
No I don't like to be apart

Old and gray
In sixty years
Gonna feel the same
We'd lay in bed and read
Me to you
And you to me

All my friends they say don't let her slip away
A girl like this doesn't come every day
When I'm with you it's like I'm walking on the air
Sometimes it's more than I can bare

Old and gray
In sixty years
Gonna feel the same
We'd lay in bed and read
Me to you
And you to me

Me to you
And you to me X2

Ask me how I can fall in love so fast
If they knew your heart they would not ask
Want you to be the one to hear my final breath
And read to me beside my bed

Old and gray
In sixty years
Gonna feel the same
We'd lay in bed and read
Me to you
And you to me

Me to you
And you to me
