One kiss is a dangerous drug  
I'll get what I deserve  
If I dare to fall in love

It's the question of the hour  
How can I be sure  
Of what I don't know  
She comes to me with  
A poison in her flower  
She steals the miracle of life  
Right out of my hand

And she takes the  
Part of a woman  
Most hard to comprehend  
And she multiplies by ten

[CHORUS]  
One kiss is a dangerous drug  
I'll get what I deserve  
If I dare to fall in love  
One look and she  
Shot me in cold blood  
I'll get what I deserve  
If I dare to fall in love

It's the boundary I desire  
There is always room enough to feel  
Miles and miles of hilly road ahead  
And she's got one hand on my heart  
And one hand on the wheel

And she moves me one step  
Closer to the deeper end  
I may never love again

[Repeat CHORUS]

One by one  
I take the bitter pills  
They're hard to swallow  
I go round and round, my head

Is spinning out of control

I will know tomorrow

If I care to live or

Face another day of sorrow

Holding onto happy ever after

[Repeat CHORUS 3x to fade]
