(verse 1)

When the world is cold, and no one is here,  
how I wish that you were near.

(pre-chorus)

And I am broken down, and I am down and out,  
because I'm with out you tonight.

(verse 2)

When it's all gone wrong, and I've given up,  
all I need is your love.  
Looking back through time, and I can see  
that you're always there for me.

(pre-chorus)

And I am broken down, and I am down and out,  
because I'm with out you tonight.

(chorus)

And I can't live without you.  
I'm lost inside when I am gone away from you.  
And I can't live without you.  
I'm lost inside and I am going crazy.

(solo)

(pre-chorus)

(chorus)

(chorus)

(ending lyrics)
