Savior all these songs we sing, every word and melody
All of it is meant for You alone
Silent prayers and bended knees, every kind of
offering
All of it's intended for Your throne

Jesus this is all for You, Father this is all for You
How Your children long to bless Your heart
Lord we've tasted and we've seen, beheld the beauty
of the King
And we long to magnify our God

Every lifted voice and hand, every woman, every man
All of us have known Your generous ways
Cause Spirit you have carried us, we have seen Your
faithfulness
And our hearts are bursting with Your praise

Jesus this is all for You, Father this is all for You
How Your children long to bless Your heart
Lord we've tasted and we've seen, beheld the beauty
of the King
And we long to magnify our God

It's all for You Lord
It's all for You Lord

All for You, all for You, all to bless Your heart
All for You, all for You, all for You oh God
