Forgiveness comes to me though I do not deserve it  
I barely speak the words and You draw near again  
It's so hard to believe that I am really worth it  
That you laid down Your life to carry all my sins

What kind of love is this, what kind of love is this?  
That we are called children of God?

All I've got, all I want is in You, it's in You  
Like the air in my lungs I will breathe You in  
All I want, all I need is Your grace and Your truth  
Fill me up, fill me up, let me sing again, yeah

Father without Your flame, my life is lived in darkness  
I know I need You now, I'm reaching for Your hand  
Without Your mercy Lord, there'd be no second  
chances  
But You reach for Your child, and lift me up again

What kind of love is this, what kind of love is this?  
That we are called children of God?

All I've got, all I want is in You, it's in You  
Like the air in my lungs I will breathe You in  
All I want, all I need is Your grace and Your truth  
Fill me up, fill me up, let me sing again,  
Let me sing again,  
I will sing again, let me sing again,

All I've got, all I want is in You, it's in You  
Like the air in my lungs I will breathe You in  
All I want, all I need is Your grace and Your truth  
Fill me up, fill me up, let me sing again,

All I've got, all I want is in You, it's in You  
Like the air in my lungs I will breathe You in  
All I want, all I need is Your grace and Your truth  
Fill me up, fill me up, let me sing again, yeah  
I wanna live for You, I wanna live for You  
In Your grace, in Your ways, I wanna live for You  
I wanna live for You
