There is a King, a risen King  
Radiant, He reigns in majesty  
He conquered death, it has no sting  
And at His word we will rise and sing

Arise, we will arise and sing  
Arise, we will arise and sing

Come awake, rise from the ground  
Open your eyes and see what you have found  
Come awake, oh you who sleep  
Search no more, for He is all we need

Arise, we will arise and sing  
Arise, we will arise and sing  
Arise, we will arise and sing  
Arise, we will arise and sing

Beautiful, beautiful  
There is not one, there is not one, who is so beautiful  
[x2]

Arise, we will arise and sing  
Arise, we will arise and sing  
Arise, we will arise and sing  
Arise, we will arise and sing  
Arise and sing  
Arise and sing
