Our God is mercy, our God is mercy  
If your heart is heavy, if your soul is thirsty  
There is a refuge, a home for the lonely  
Cause our God is near, our God is near  
Our God is near, our God is near  
[x2]

The kingdom of our God is near  
Lift your eyes, lift your eyes  
The hope of Heaven's drawing near  
Lift your eyes, lift your eyes  
You're blessed if you've been torn apart  
You're blessed if you've a broken heart  
Cause hope is waiting at the door  
Salvation's near

Cause our God is mercy, our God is mercy  
If your heart is heavy, if your soul is thirsty  
There is a refuge, a home for the lonely  
Cause our God is near, our God is near  
Our God is near, our God is near

Lift up your eyes, lift up your eyes  
Lift up your eyes and sing  
[x4]

Cause our God is mercy, our God is mercy  
If your heart is heavy, if your soul is thirsty  
There is a refuge, a home for the lonely  
Cause our God is near, our God is near  
Our God is near, our God is near  
Our God is near, our God is near
