Jesus You are strong to save
There's no battle you can't win
Stronger even than the grave
We turn to You again

And we lift You up, we lift You higher
Cause You deserve our highest praise
We'll sing it out, we'll sing it louder
Jesus name above all names

For only You have overcome
Every trial this world can bring
Humbly You defeated sin
Then died that we might live

So we lift You up, we lift You higher
Cause You deserve our highest praise
We'll sing it out, we'll sing it louder
Jesus name above all names

You conquered temptation, obedient to death
You won our salvation, Lord You are our righteousness

We lift You up, we lift You higher
Cause You deserve our highest praise
We'll sing it out, we'll sing it louder
Jesus name above all names

And we lift You up, we lift You higher
Cause You deserve our highest praise
We'll sing it out, we'll sing it louder
Jesus name above all names
You're the name above all names
You're the name above all names

Only You deserve (Jesus)
Only You deserve our highest praise
Only You deserve (We lift You higher)
Only You deserve our highest praise
Only You deserve (Only You deserve)
Lord only You deserve our highest praise

Only You deserve
Lord only You deserve our highest praise, yeah
