Oh yeah, rock you baby  
My pretty girl, you move so sexy in your skin  
Spread your wings for me, let my love come in  
My sexy girl, all the world's your stage  
You love to feel my passion  
You love to feed my rage  
Give me your faith, you take my hand  
You be my girl, I'll be your man  
My love's forever, my heart is true  
You live for me, I'd die for you  
Believe me, baby  
Pretty girl, lives inside my head  
Like an angel hanging above my head  
I think about you when I'm pacing in my cage  
How I loved your eyes, how you loved my evil ways  
I am love, you are hate  
You my laughter, I am rage  
My love's forever, my heart is true  
You live for me, I'd die for you  
Oh yeah, rock it, baby  
bridge  
Police coming  
Judgment coming  
Hangman coming  
My time is coming  
Pretty girl, I'd protect you from the pain  
I will be your sinner, I will be your saint  
My sexy girl is so hard to please  
She's all I ever wanted, all I ever need  
You be my girl, I'll be your man  
Believe in me, give me your hand  
I pull my gun, my aim is true  
You'd die for me, 'cause I'd die for you  
Oh yeah, rock it baby  
You are love, I am hate  
You're a sinner and I'm a saint  
We are laughter, we are rage  
Crime of passion, gonna seal my fate  
You're the fire, I'm gasoline  
I'm coming on like a war machine  
My love is strong, my soul is true  
You'd die for me, I'd die for you
