Snowy night i\m heading home
An airport bar, girl you sat all alone
I said, \"hello, How\ve you been?\"
God girl, it\s sure good to see you agian

Remember of Panama City
You were fall down drunk
but you still looked pretty
We made love all night
On the beach that september
Told my friends it was great
but you still can\t remember
Well...

That was then
This is now
Lookin back i wouldn\t change it anyhow
This is now
That was then
Life rolls on
We\re still ridng against the wind

As for me
My life\s been up and down
Playing night to night
Moving town to town
You said ?i\ve got a daughter, i\ve got two of my
own?
They\re the love of my life
They sure helped me grow up
?i\ve seen a few things, From the troops of Iraq?
I\ve made a few friends who didn\t make it back
Yea danced with the devil
cried with the saints
?it probably was?
so it\s wasn\t all in vain

That was then
This is now
Lookin back i wouldn\t change it anyhow
This is now
That was then

Life rolls on
We're still riding against the wind

Somedays i'm smiling
Somedays i'm sad
Somedays i still wake up fat mad

Yea there's a part of me that wants to go back
Then i remember i'm good right where i'm at
It's getting late baby so let's raise a glass
One to the future
and one to the past

Lookin a photographs
Pictures of
The friends we lost
and here's to the one we love

That was then
This is now
Lookin back i wouldn't change it anyhow
This is now
That was then
Life rolls on
We're still riding against the wind

It's all right
It's okay
Yesterdays gone
i'm living for today

It's ok
It's all right
Somehow we all made it through the night

Life rolls on baby!
and it's rolling,
We're still riding against the wind
It's all right
It's ok
I wouldn't change it anyway
