She said  
I don't think I'm gonna let ya  
Walk on me...Anymore  
I don't think I'm gonna let ya  
Let me... care  
If you slam the door  
You made me so confused  
Even when I win I loose  
But here comes that fellin' a creepin' in

Hello  
Goodbye  
She wants to stay  
She wants to fly  
This room...  
This bed...  
Too many thoughts run through her head  
Of where she's goin' & where she's bin  
Fade to black ...Start again

She said  
I don't think I'm gonna let ya  
Put me down ...Anymore  
I don't think I'm even gonna let ya know  
About that hole... you left in my heart  
It's hard to say I'm sorry  
When you're the one who caused this heartache  
But here comes that feelin' once again

Hello

Goodbye  
She wants to stay  
She wants to fly  
This room...  
This bed...  
Too many thoughts run through her head  
Of where she's goin' & where she's bin  
Fade to black ... Start again

All of her friends say  
Why don't you let him go

They all talkin'Â'  
But what do they know  
Yah..what do theyÂ.... know  
She says IÂ've done my forgiven  
IÂ'm lettin' go of the scars IÂ've hidden  
But here comes that feelin'Â' creepin in

Hello  
Goodbye  
She wants to stay  
She wants to fly  
This roomÂ...  
This bedÂ....  
Too many thoughts run through her head  
Forgive  
Forget  
Didn't seem to get her know where yet  
Walk away or stay with him  
Fade to black Â... Start again  
Fade to blackÂ.....Start again
