There's some words that I've been meaning to say
It's not long but dam hard to say
And the only thing that makes me keep my words from
you
Is the fact that I want you to say it to

La da da da da da
La da da da da da
Oo whoa whoa whoa whoa whoa whao

She's got dreams that fill the sky
And who am I to ask for time from this girl
Whos way to cool for me
O your way to cool
And you know it to

La da da da da da
La da da da da da
Oo whoa whoa whoa whoa whoa whao

And heres the part of the song
Where I break down and say
I LOVE YOU!
