do do do do do DO  
do do do do do DO  
do do do do do DO

shes got a PB ring, and 5 letters in her name  
so in to fashion, and she hates the clothes i wear  
our dad says shes always chatting on the net  
and she dont care

(CHORUS)

everybody needs to know her name  
how does she cope with my new found fame?  
everyone asked me, how old could she be?  
that no one with 5 letters in her name

she knows a loner, with a abbey bank account  
he likes to phone her, cause he's always in her bed  
there's rumours spreading round she'd like to give  
him head  
but she don't care, no she don't care

everybody needs to know her name  
how does she cope with my new found fame?  
everyone asked me, how old could she be?  
that no one with 5 letters in her name

she is all she thinks about  
this girl i have to share a house  
she almost went insane  
she couldn't take my fame  
i said she was to blame  
she couldn't take enough  
and the 5 letters all fell out  
shes just a no one with no name

everybody needs to know her name  
how does she cope with my new found fame?  
everyone asked me, how old could she be?  
that no one with 5 letters in her name

do do do do do DO  
J E N N A .. HEY  
do do do do do DO
