We don't need no education  
We don't need no Robin Stone  
The cleaners never clean the classroom  
Tutors, leave the class alone.

Hey, Tutor, leave our wall alone.  
All in all its just another wall in the school  
Everyday were putting, things up on our back wall.

Chunks of cheese and, bits of blu-tac  
Shikira poster on the wall  
Phil and Simon with Prince Charles  
Del Boy, leave our wall alone.

Oi, Tutor, leave our wall alone.  
All in all were sticking, things on our back wall  
Everyday were looking, for blu-tac round the school.

All I can say is, that out wall, is 10 times better than the girls.  
Cause everyday were, prayin, to our supreme back wall.
