Come and hold my hand
I want to ask you a question
Not sure you'll understand
The things I am thinkin
I sit and write some songs
And people laugh at my ways
There is somethin missin
I just don't understand

I just want to be, like Paul
Be like Paul and like Jemma
They have so much love, for each other
I'm so jelous

I don't wanna lie
But I think I've been givin no choice
I've never been in love
I'm prepareing for the worse
I told myself today
That there is no one for me
Even if there is
I can't see myself with her.

I just want to be myself, be myself and no one else
Cause I've got too much lore
To be offered, it's going to waste.
And I need to be, in love
With someone who will love me, is that too much to ask.

I just want to be, like Stan
Be like Stan and like Hannah
They have so much love, for each other
I'm so jelous
I just want to be myself, be myself and no one else
Cause I've got too much lore
To be offered, it's going to waste.

Come and hold my hand
I want to ask you a question
Not sure you'll understand
The things I'm thinkin
Not sure you'll understand

Not sure you'll understand
Not sure you'll understand
Not sure you'll understand
