I'm too lost in you
too lost in you
I'm too lost in you
too lost in you

everything about you is so deep
as a result I jus cant sleep
I just think about the the things that you do
and no, not about that girl called who
I just think about the things that you do!

Any time at all
All I have to do is call
(Any time at all
All I have to do is call)
If you needed somebody to love
Just look in to my eyes

I've got every reason on earth to be mad
Cause I've just lost the only girl I ever had
And if I could have it all my own way
I'd get my self all messed, messed up well good
hey you, ye you with the hood
But I can't
So I'll mime it instead

Any time at all
All I have to do is call

Diners on the table
And its getting cold
Sleeping on an unmade bed!

Any time at all
All I have to do is call
