Days in black attics
Never seeing the air
Lyrics IÂ've written
Never meaning to bare
Beauty IÂ've always seen
With these eyes I saw
Just what the truth shows
I wont say anymore
Cause I trust you
Yes I trust you Â..... Oooo
Oooo How I trust you

Writing about people
With a pen in my hand
This is what IÂ'm going through
You can not understand
One tried to tell me
Thoughts they wish theyÂ'll amend
Just who you think will be
Be with me in the end
And I trust you
Yes I trust you Â..... Oooo
Oooo How I trust you

Days in black attics
Never seeing the air
Lyrics IÂ've written
Never meaning to bare
Beauty IÂ've always seen
With these eyes I saw
Just what the truth shows
I wont say anymore
Cause I trust you
Yes I trust you Â..... Oooo
Oooo How I trust you

And I trust you
Yes I trust you Â..... Oooo
Oooo How I trust you
